

## Summiteers: What Parents Need to Know

### Class Times

Saturday Morning: 9:30-12:00

Saturday Afternoon: 1:00-3:30

Saturday All Day: 9:30-12:00, 1:00-3:30

**Lunch supervision is not provided for all day classes.**

Sunday Morning: 9:30-12:00

Sunday Afternoon: 1:00-3:30

Sunday All Day: 9:30-12:00, 1:00-3:30

**Lunch supervision is not provided for all day classes.**

Tuesday Morning: 9:30-11:30

Tuesday Afternoon: 2:00-4:00

Thursday Morning: 9:30-11:30

Thursday Afternoon: 2:00-4:00

### Late Policy

The later you are, the more difficult it is to find classes, especially advanced groups. Instructors will proceed to the same chairlift at the start of each day for the entire 8 weeks to take one lap and pick up any latecomers. After that first lap, it will be the parent's responsibility to find the group.

### Late Pick-up

Parents are responsible for **timely pick up**. Chronic late pick-ups will result in being asked to leave the program.

### Group and Friend Requests

We have done our best to accommodate these requests when possible. Students will only be moved within groups based on their ability levels, at the instructor's discretion. This is a great opportunity to make new friends!

### Meeting Spot

Summiteers meet on the hill **above** the Adult Ski School Meeting Place, just to the left of the lodge.

Every class has been assigned a lettered sign (A,B,C etc.), and the instructor will be at that sign fifteen minutes before the class goes out. Find your assigned sign and instructor name next to your child's name on the list included with this document.

### Weather

We will run regardless of weather conditions 99% of the time. If we cancel the program due to weather or resort closure, we will make up the days at the end of the program. If you have any questions about the weather, please call our Snowsports Sales office at 530-581-8200.

### Tips to make your day go smoothly

- Arrive early, with boots, skis/board, and pass. Be ready to go!
- Plan ahead for picking up your pass and rental gear (if you need it).
- All students need eye protection, gear, lift pass, helmets, sun screen, and appropriate clothing for the weather.
- Feed your child a healthy breakfast and/or lunch before class.
- Snacks are not provided; we recommend putting a snack in your child's pocket.
- Remind your child to stay with their group at all times.
- Please go over the Chairlift Code of Conduct (below) with your child.

### **Children's Chairlift Code of Conduct**

*We have developed a children's chairlift code of conduct to help all of us educate our young skiers and riders about the importance of following chairlift best practices. Please take an active role in educating your child on the following guidelines*

1. Behave and be respectful of your team mates and others when you are in line, loading the chair, riding the chair, and unloading the chair.
2. When you are loading the chair, move promptly from the WAIT HERE board to the "LOAD HERE board".
3. At the LOAD HERE board,
  - a. hold your poles in your inside hand
  - b. look back and to the outside,
  - c. grab outside of chair as it approaches.
  - d. SIT BACK, HOLD ON, LOOK FORWARD, AND DON'T FOOL AROUND.
4. While you are riding the chair, DO NOT play with skis or boards and DO NOT play with the restraining bar.
5. If the lift stops, DO NOT turn around or play around on the chair.
6. After you unload the chair,
  - a. move away from the unloading ramp
  - b. stay out of the way of others
  - c. Wait for coach or instructor
7. Children that violate this Code of Conduct will be appropriately reprimanded up to and including termination from our program.
